Amazon Synod

Pope Francis has scheduled a Synod of Bishops to be held in Rome during the month of October. The theme of this synod on the Amazon is “New Paths for the Church and an Integral Ecology” and will examine important issues for “every person who inhabits this planet”. Invited to the Synod are every diocesan bishop from the countries of the Amazon River region, various international Cardinals, leaders of Religious Communities working in the area of the Amazon, and a number of non-Catholic leaders and scientific experts. In addition, and significant for Sacred Heart, is the fact that two former ECS students from our program here have been invited to attend: Rev. Alexandre Boratti Favretto from Brazil and Rev. Horacio Day from Argentina. Please pray for them to be filled with the Holy Spirit during the Synod!

Gathering of Deacons

On Saturday September 21, 2019, a gathering of Deacons and Deacon's wives met at Holy Apostles Church in New Berlin. The focus was on clergy abuse and how the diaconate community can assist in helping people heal. One of the deacons shared his own story of being abused 50 years ago. Deacon Steve Kramer provided strategies on preaching about abuse at Mass as well as the importance of being a sympathetic listener. Dr. Barbra Anne Cusack shared valuable insights and information about the Archdiocese's response and policies on clergy abuse.
