Congratulations!

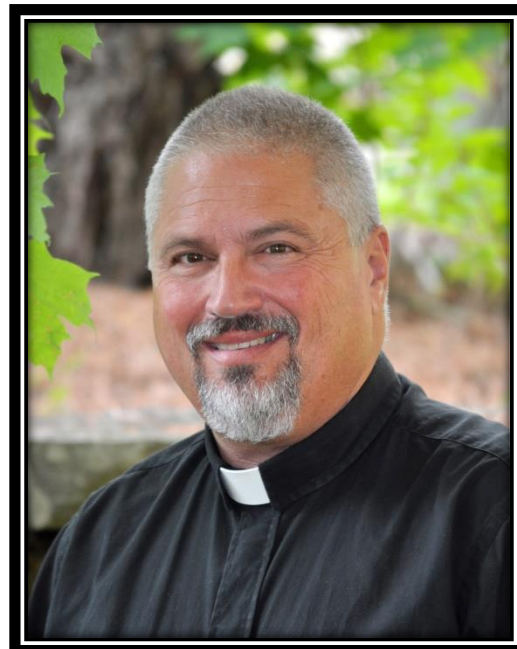

Sacred Heart is happy to announce the publication of an article by Deacon Steve Kramer that has appeared in the May issue of *The Deacon*.

This article's bibliographical information is:
Kramer, Steve. 2020. "Marriage and Preaching: A Match Made in Heaven". *The Deacon*, March. <https://www.the-deacon.com/2020/04/15/marriage-and-preaching-a-match-made-in-heaven/>

The article may be accessed by clicking the link in the above citation.

In his article, Deacon Kramer writes about the wedding homily, "Once we understand that it is not what we say, rather what the congregation hears, then we can effectively preach a wedding homily. Unless we are preaching to a church filled with ministers, theological students and seminary professors, our use of church jargon has to be limited. We cannot assume that everyone will understand the concept of biblical covenant. If our language is modified so that it resonates with people, they will be able to follow our ideas and adopt them."

Congratulations, Deacon Kramer, on this great contribution to scholarship!
