

05/15

The safety of all of us is our top priority. Although the Wisconsin Supreme Court overturned the extension of Governor Evers' safer at home order, Milwaukee County issued its own guidelines that are in effect until the 21st of May. The Milwaukee County suburbs, including the City of Franklin and Hales Corners, have agreed to abide by these. Consequently we are finalizing our plan to gradually reopen the campus while continuing to take measures to protect the safety, welfare, and good health of our staff, residents, students, and visitors to the building, following the guidance of local health officials. The plan will be communicated to everyone once fully developed. Thank you for your cooperation and patience.
