## **Elective Course Descriptions not found in the SHSST Catalog:**

**New Testament Soteriology: Faith, Grace, and Love, New Testament Soteriology: Sacrifice, Atonement, & Forgiveness**

**Course Description:** This course examines the development of ideas of sacrifice, atonement, and forgiveness from the Old Testament, early Jewish literature, and the New Testament, and reflects on the theological, spiritual, and pastoral significance of these biblical soteriologies. Special attention is given to the unique soteriology of early Christianity, and the role of forgiveness and faith in reconfiguring the biblical tradition.

**Spirituality of St. Francis de Sales**

**Course Description:** St. Francis de Sales, a 17th century bishop enmeshed within the Catholic Counter-Reformation, articulated an influential series of spiritual practices to enable busy, ordinary people to live fervently devout lives. This course will unpack the prayer methods, theological frameworks, and spiritual concepts contained in his two classic works, *Introduction to the Devout Life* and *Treatise on the Love of God*. An active engagement with the prayer material in these works will be a key aspect of the coursework. In addition to examining St. Francis de Sales' personal biography and his collaborative work with St. Jane Frances de Chantal, the enduring value for the 21st century believer of St. Francis de Sales' guidance about building a relationship of love with God will be explored.
